

Council Privacy Policy with Regards to Spring 7 Media

The Great Salt Lake Council has contracted with Spring 7 Media to provide online tools for the administration of the annual Friends of Scouting drive which collect funds to help operate the Council's program. Some of these tools allow volunteers to manage donor information at the charter organization level. Charter organization's are therefore in charge of uploading, merging, and deleting donor information. Information is to be used at the discretion of the organization and only for the intent of the organization in its Friends of Scouting purposes.

The Council has read and is familiar with Spring 7 Media's privacy policy which includes protections that are in place for donor personal information:

INFORMATION SECURITY

S7m is committed to privacy and security. S7m is compliant with the Payment Card Industry Data Security Standard ("PCI DSS") as a Level 1 service provider. Examples of S7m's security measures include: physical, electronic, and procedural safeguards; sophisticated security monitoring tools; documented security policies; use of strong encryption for transmissions of Order Information to and from Spring7media Customers; restricting access to personally identifiable information.
